**Job Summary:**

The position is part of the Waisman Center's University Center for Excellence in Developmental Disabilities (UCEDD) and within a program titled Community TIES (Training, Intervention and Evaluation Services). Community TIES is a Community Outreach Wisconsin (COW) Program which is a UW-Waisman Center behavioral support program serving children and families, adolescents and adults with developmental disabilities who live in the community.

This position will provide behavioral consultations primarily to children with intellectual developmental disabilities (IDD) and their families and will use therapeutic techniques to assure client's continued participation in community life. This position may provide consultations to adults with IDD as needed. This position may also provide consultations and training statewide on a limited basis.
